

EXTRA TOUGH VANDAL RESISTANT INTERCOM

FOR DOOR ENTRY SYSTEMS

FEATURES

- Extra tough, vandal resistant, 2.5 mm, stainless steel plate
- IP65, weather resistant assembly with neoprene gasket seal
- Suitable for use with super flush back box (shown above)
- Can be sunk into anti-pick adhesive (when used with super flush back box)
- Vandal resistant call button and LED
- Anti-tamper fixings

DE4501.20 EXTRA TOUGH INTERCOM

Our DE4501.20 door entry intercom unit is designed for extra tough locations. The front plate is made from 2.5 mm stainless steel, and is fitted a vandal resistant call button and LED.

The unit can be mounted in our super flush back box to form a weather resistant IP65 assembly.

For extra security the super flush back box has a 15 mm bezel, allowing the assembly to be sunk into anti-pick adhesive whilst still allowing access for maintenance.

IDEAL FOR OUTDOOR PUBLIC PLACES AND EXTRA TOUGH LOCATIONS
