

INTRODUCING THE NEXT GENERATION OF ACCESSIBILITY

ENHANCED SAFETY AND INDEPENDENCE

With our state-of-the-art IP emergency assistance intercom, users can enjoy a new level of safety and independence. In the event of an emergency, help is just a pull cord or button press away, ensuring a swift response when it matters most.

CLEAR COMMUNICATION, ANYTIME

Our system ensures crystal-clear audio, allowing for effective communication between the user and assistance personnel. Whether it's a call for help or a simple inquiry, our intercom guarantees that every voice is heard.

SEAMLESS INTEGRATION

Designed to integrate effortlessly with existing IP networks, site and off-site telephony, our intercom system is easy to install and manage, making it the perfect choice for public buildings, hospitals, and care homes.

COMPLIANCE WITH STANDARDS

Adhering to the latest standards, our IP emergency assistance toilet intercom helps your facilities to meet the necessary requirements for accessibility and safety. Helping you and your clients avoid potential legal issues.

RELIABLE AND DURABLE

Built to last, our intercoms are made with high-quality materials, local battery backed PSU for continued operation in the event of a power failure, ensuring durability and reliability in any setting.

PEACE OF MIND

Knowing that assistance is readily available provides comfort not only to the users but also to the facility managers.

INCLUSIVITY AND CUSTOMER SATISFACTION

Enhance the experience of your patrons with disabilities, showing that you care about every visitor's comfort and safety.

INCREDIBLE FLEXIBILITY AND COMPATIBILITY

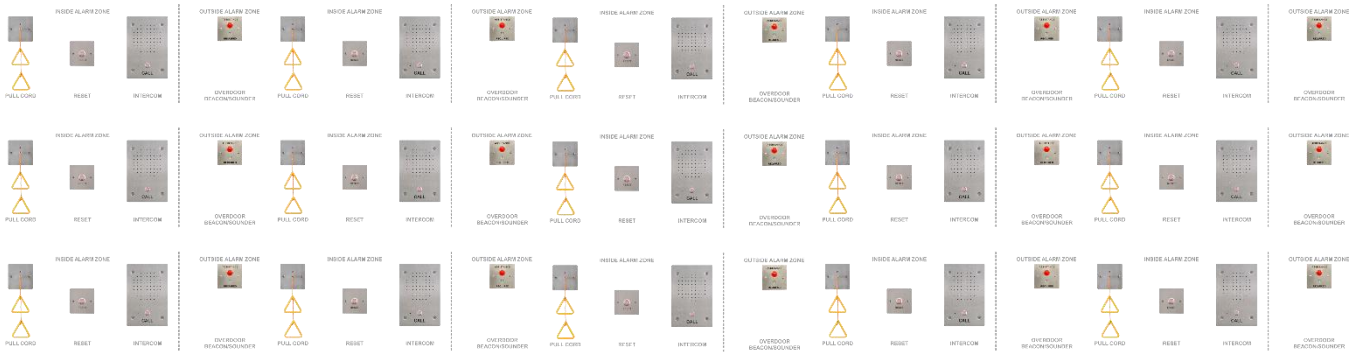

Multiple operator stations, intercom calls to internal extensions, external phones, compatible with Folknoll's huge emergency assistance range
