

#### COMBINED OVERDOOR BEACON SOUNDER AND ACKNOWLEDGE BUTTON

Tough, stainless steel, construction

Suitable for mounting in standard UK 35mm double gang back box

Large, high-brightness, red dome, LED Beacon, can be seen from side, ideal for use in corridors

Built-in sounder, protected by mesh

Document M compliant, acknowledge button

Compatible with all Folknoll emergency assistance systems

### EMERGENCY ASSISTANCE ALARMS

Folknoll emergency assistance alarm systems offer cost-effective, vandal resistant, **BS 8300-2** and **DOCUMENT M** compliant solutions built from standard and bespoke units. Our alarms can be combined with disabled refuge EVC, fire telephone and other systems. Ideal for **SHOPS, OFFICES, HOTELS** and other **PUBLIC SPACES**.

### DT7540.47 BEACON SOUNDER ACKNOWLEDGE STAINLESS

The DT 7800-137 Beacon Sounder Acknowledge Stainless combines a beacon sounder and acknowledge button into a standard UK 35mm double gang compatible unit. The faceplate is made from brushed finish stainless steel and annotated in black. Other finishes and alternative annotation are available on request. The tough, stainless steel, construction and vandal resistance makes this unit ideal for public places, e.g. shopping centres and transport infrastructure buildings.

### APPLICATION

Suitable for disabled toilet and other document M compliant emergency assistance alarms.
