970.57 DISCREET OUTSTATION OPERATION

OUTSTATION CONTROLS

Outstation users are not required to control this intercom system, there are no buttons to press, etc. Outstation users should hear a voice indicating a call has started.

DURING A CALL

- Listen to the whole of the operator's message
- If you want to respond, wait for the operator to finish speaking
- Pause, then make your response
- Speak slowly and clearly
- **DO NOT INTERRUPT THE OPERATOR, THEY WILL NOT HEAR YOU**

ABOUT FOLKNOLL

We are a UK based systems design, manufacturing and installation company. Since 1975 we have been supplying tough, reliable, practical, alarm and control systems for the private and public sectors. All of our products and systems have been designed for easy installation and low maintenance by experienced engineers. As original manufacturers, all of our products and systems can be customised to suit your requirements. We also offer individual annotation, custom engraving and special finishes for all of our equipment.
