FOR PRESTIGE SYSTEMS

FOLKNOLL PRESTIGE WALDEN CALL SYSTEMS

Our flexible Prestige warden call / nurse call range combines panic alarms, assistance alarms, door exit alarms, external alarms, intercom, door entry control with local and remote monitoring. Providing peace of mind to residents of care homes, warden controlled homes, nursing homes and other similar establishments.

PS7810 PRESTIGE RADIO PENDANT BUTTON

The PS7810 Prestige radio pendant button is a wearable panic button. Enabling residents to summon anywhere in range of the receiver without having to get to a pull cord.

The unit is housed in a lightweight ABS enclosure with integral lanyard. Ideal for wearing as a neck pendant, enabling residents to be close to an alarm button at all times.

The unit has integral lithium batteries with a lifetime of up to 5 years (dependant on use) and a range of up to 1 Km (clear line of sight). The actual range will depend on the construction of your establishment.
